The Honorable Michael B. North  
United States District Court  
Eastern District of Louisiana  
500 Poydras Street, Room B407  
New Orleans, LA 70130

Re: *Franatovich v. Allied Trust Ins. Co.*,  
EDLA, No. 22-2552 c/w 22-4927

Dear Judge North:

On behalf of McClenny, Moseley & Associates, William Huye, and Zach Moseley, please find enclosed the responses to the Court's Orders of February 1, 2023 and February 3, 2023 (Rec. Docs. 39 and 40).

1. A list of lawsuits that MMA has filed on behalf of Plaintiffs in Hurricane Ida cases in which they do not have a contingent fee or other payment contract with the named Plaintiff(s) or the named insured(s) on the insurance policy, including the case name, docket number, home address of the insured(s) and contact information for the insured.

Please see Exhibit "A."

2. A list of lawsuits that MMA has filed in Hurricane Ida cases in which they actually represent Apex Roofing and Restoration, L.L.C. ("Apex") or any other roofing or construction company – as opposed to or in addition to the names plaintiff(s) – including the case name, docket number, insured address and insured contact information if available.

Please see Exhibit "A."

3. A list of claims that MMA has settled for properties in this District in which they represented APEX but not the named insured. The Court's intention here is to obtain a list of cases that are procedurally like these two captioned cases, in which MMA has a retention agreement and contingency fee contract with Apex but does not have similar agreements with the insured(s)/homeowner(s).

Please see Exhibit "B."

4. A list of cases/claims related to Hurricane Ida in which MMA has sent a Letter of Representation to any insurance company advising that company that it represents Apex Roofing rather than an insured/homeowner.

Please see Exhibit "C." These letters were mailed out between Friday, February 10, 2023 and Monday, February 13, 2023 on all of MMA's active files to correct the previous letters listed in Exhibit "D" below.

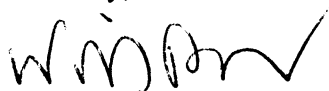

5. A list of claims not yet in litigation related to Hurricane Ida in which MMA has sent a Letter of Representation to any insurance company advising that company that MMA represents homeowners/named insureds when it actually/also has a retention agreement with Apex Roofing and Restoration, L.L.C. ("Apex") or some other roofing/construction company. To be clear, the Court is ordering MMA to produce a list of claims that are similar to this one, in which MMA actually represented Apex but represented to the homeowner's insurer that it represented or was retained by the insured/homeowner.

Please see Exhibit "D." As is mentioned above, for its active files, MMA has sent out corrected letters advising the insurance companies that it represents Apex and not the homeowners/insureds. In addition, for some of the claims listed in Exhibit "D," MMA has received unconditional tenders from the insurance companies, but the claims have not been settled.

6. Finally, MMA has reviewed the list of claims on the spreadsheet at Rec. Doc. 39-1, and MMA represents Apex in the Troy Hollins matter. MMA represents the named insured in all other matters listed.

With kind regards, I remain

Sincerely,

William P. Gibbens
